

# School Bus

# Safety

# Colouring Book

I wait for the school bus in a safe place.

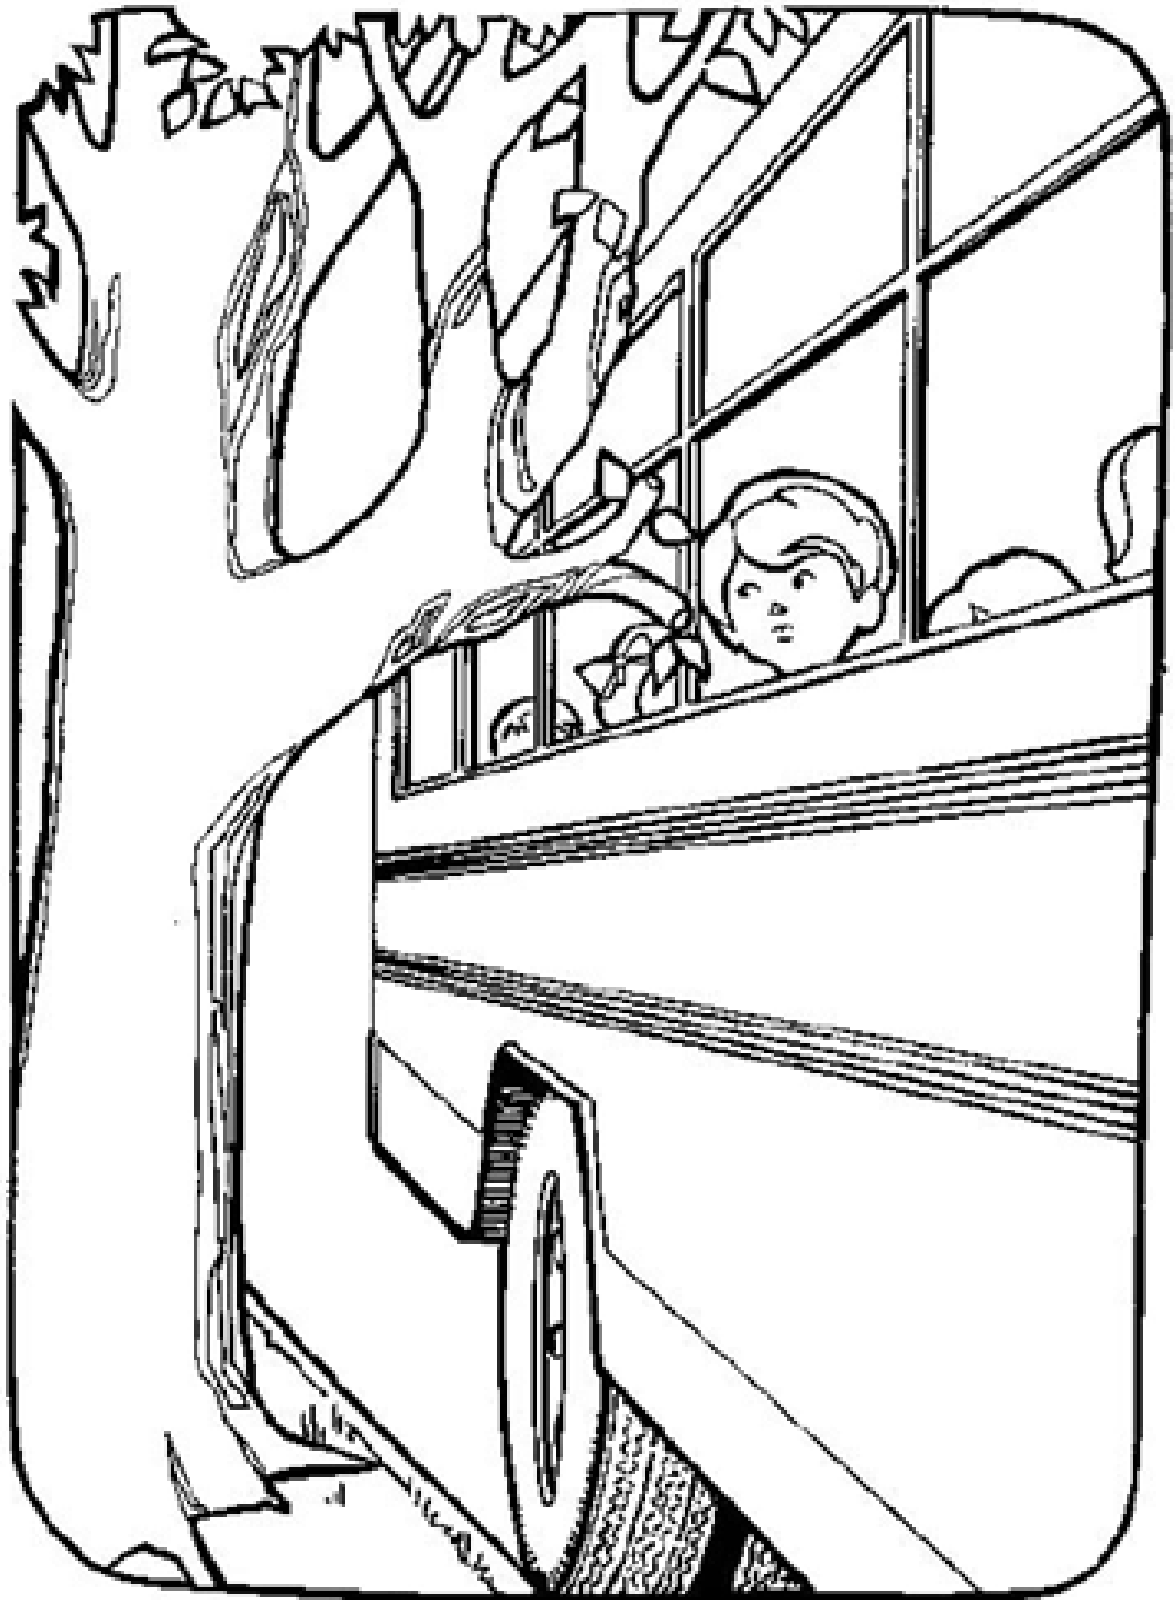

I always try to stay where the  
bus driver can see me.

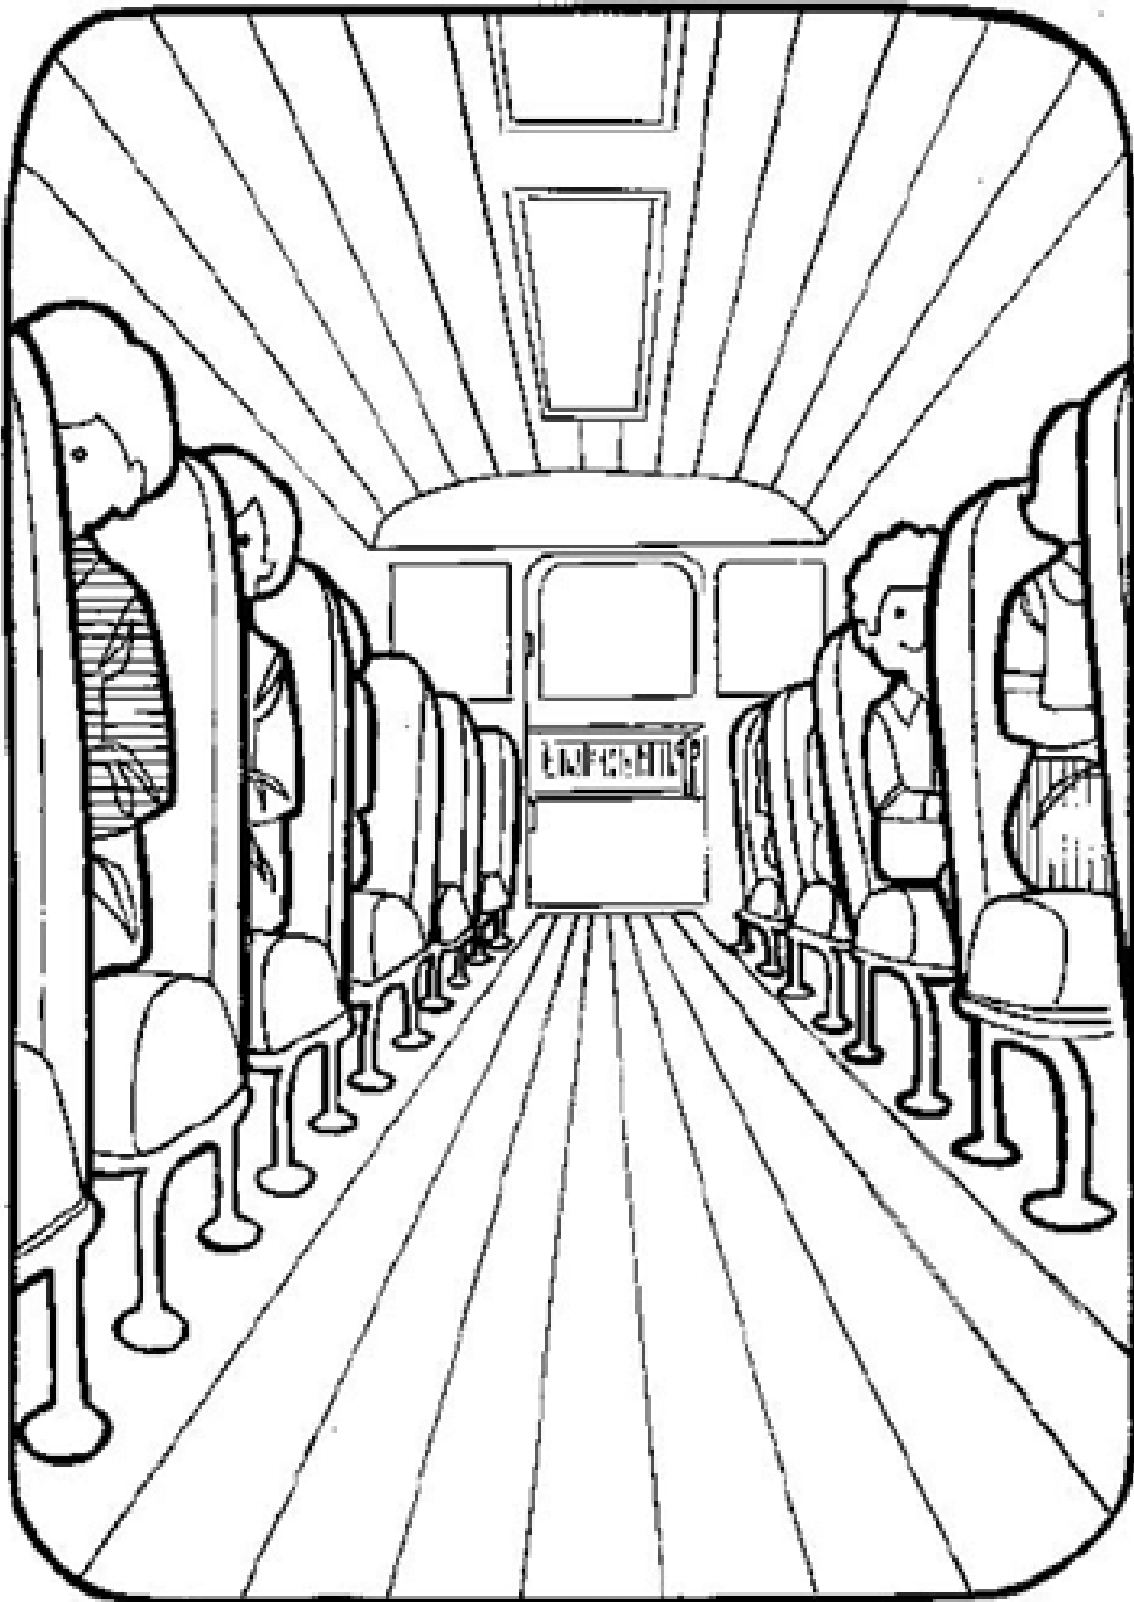

I get on the bus in single file.

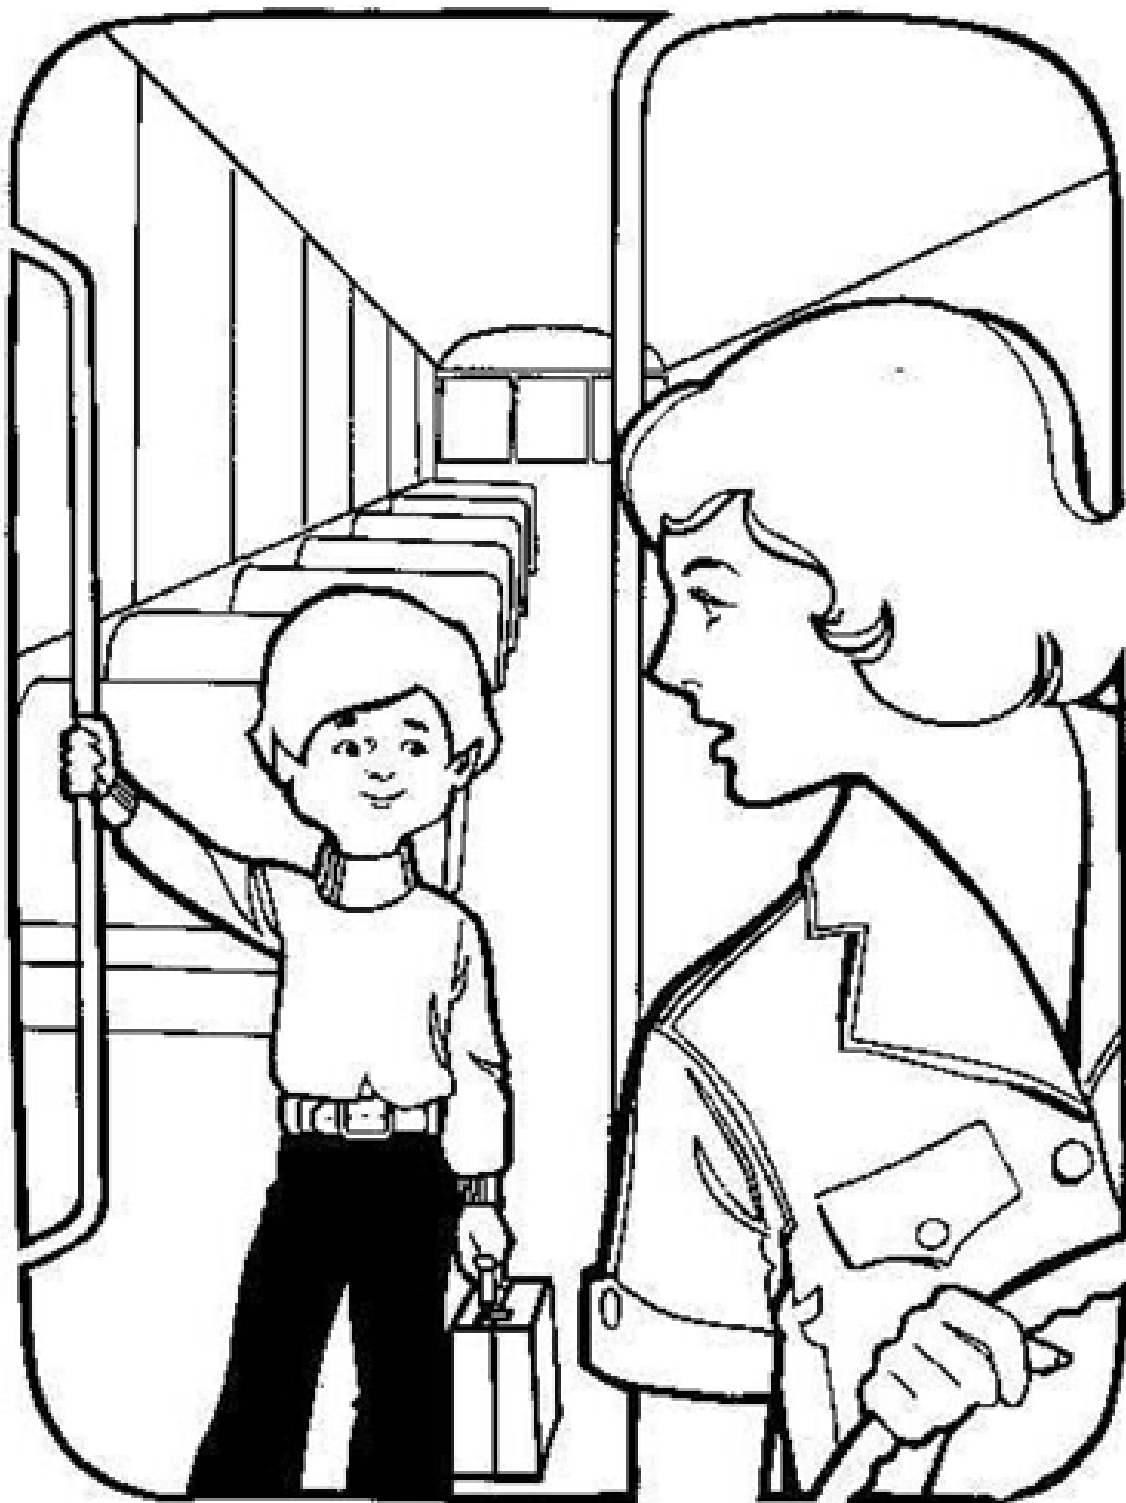

I stay seated when riding the school bus.

I never put my head or arms out  
of the window.

I keep the aisle clear of my feet, books  
and lunch box.

I obey the bus driver at all times.
