

SHARED CUSTODY TRANSPORTATION ARRANGEMENTS (JK – GRADE 6)

Transportation Policy Section 7.0 Shared Custody

The Northwestern Ontario Student Services Consortium recognizes that special consideration may be required for families with shared custody of students.

- Parents/Guardians must provide a Primary and Secondary Transportation Address;
- Both addresses must be eligible for transportation based on the Transportation Policy, and no route deviations or extensions will be granted. There must be room on the bus servicing the Secondary Transportation Address;
- On a daily basis, the student can use the a.m. pick-up location based on either the Primary or Secondary Transportation Address. Parents/Guardians are responsible for ensuring that school administration has an accurate and up to date schedule.
- The p.m. drop-off location must be the same every school day, regardless of which parent the child is with. This may be based on either the Primary or Secondary address, as indicated on this form;

Note: Where the parents cannot agree to the drop-off location, the parent with the greater share custody (as per court documents) will determine the drop off location. If the situation involves a 50% joint custody situation, the parents must agree on the drop off location, otherwise p.m. transportation may not be provided.
