

## School Bussing for 2019-2020

Summer has just started but planning for the next school year is well underway. Please read the information below to make sure your bussing arrangements are in place for the first day of school on September 4<sup>th</sup>.

We're open all summer planning for a safe start up in the fall. Visit [www.nwobus.ca](http://www.nwobus.ca) or contact us for assistance.

<b>Previous Bus Students</b>	If you rode the bus at the end of the 2018-2019 school year <b>please assume that your school bussing will remain the same unless you receive specific communication from the Consortium.</b> Notification of any changes will be sent by mail by early August.
<b>New Kindergarten Students</b>	<b>New JK/SK students are not automatically assigned school bussing.</b> Please go to <a href="http://www.nwobus.ca">www.nwobus.ca</a> to request bussing.
<b>New Bus Students</b>	If you did not have bussing at the end of the 2018-2019 school year and would like bus service, please go to <a href="http://www.nwobus.ca">www.nwobus.ca</a> and complete a transportation request.
<b>Moving / Changing Schools</b>	If you will be moving or changing schools over the summer and require bussing from your new address please go to <a href="http://www.nwobus.ca">www.nwobus.ca</a> and complete a transportation request.
<b>Returning Grade 12's</b>	All Grade 12 students are automatically removed from the bus list at the end of the school year. <b>Returning Grade 12 students must re-register for the school bus.</b>

Please note that transportation is provided subject to the parameters defined in the Consortium Transportation Policy, which is available on our website.
